

Dear SAC,

I don't believe that Dundonald gymnastics club should be supported or allowed to CAT the Activity Centre at Muirhead. Currently, the Muirhead hall is used for a whole range of activities and functions for a broad cross section of the community. A CAT to Dundonald gymnastics club would remove this facility from the wider community use for one single sporting club, more or less.

Dundonald has its own hall exactly the same as Muirhead. I believe that it's also used to host the school meals, however it's there to be used by the gymnastics club. Dundonald also has the Montgomery Hall for dance classes and other activities. Muirhead only has one facility and it shouldn't be transferred to a single sporting club or other organisation unless there is no proven need for it in Muirhead or Troon. If Dundonald gymnastics club need a hall of their own, they should raise funds and bids etc for that purpose and build their own, or at least share a sprung floor hall with another gymnastics club locally.
