

## **Review of Non-denominational education provision in Maybole**

**Points raised at Maybole Community Workshop in Gardenrose Primary on  
22<sup>nd</sup> November 2011**

**(12 people in attendance)**

### **What issues that you see with the existing school buildings in Maybole?**

- Flat Roof
- Maintaining the building
- Class sizes different in each school

### **What you would like to see included in the future improvement strategy for the School Estate in Maybole?**

- Purpose built school
- Excited about a new campus
- Proper access for transport required
- External space for play & socialising
- Concerned about primary pupils losing their identity
- Pupils could lose their childlike experiences
- Gardenrose is an excellent school with good external grass areas
- Would want to avoid concrete jungles
- Is the Carrick site big enough for an all-through campus
- End goals won't demonstrate improvement for all pupils
- Safe walking routes for pupils

### **How should the Council take forward the improvements that have been suggested above?**

- Website
- No urgency about this.
