

Educational Services

A PROPOSAL DOCUMENT

Proposed Changes to the Catchment Areas for Muirhead Primary School, Troon and Struthers Primary School, Troon

The following schools are affected by this proposal document;

**Muirhead Primary School, Buchan Road, Troon KA10 7BT
Struthers Primary School, Staffin Road, Troon KA10 7JB**

May 2015

This document has been issued by South Ayrshire Council's Leadership Panel for consultation under the Schools (Consultation) (Scotland) Act 2010

1.0 Purpose of the Paper

1.1 This proposal paper is being published in accordance with the requirements of the Schools (Consultation) (Scotland) Act 2010. The proposals contained in this document seek to amend the present school catchment areas for Muirhead Primary School, Troon and Struthers Primary School, Troon.

2.0 Background

2.1 Under the Education (Scotland) Act 1980 the Council has a duty to secure provision for the education of children and young people resident within the boundaries of South Ayrshire.

2.2 All of South Ayrshire Council's primary and secondary schools have a defined catchment area and children and young people who reside within the catchment area are allocated a specific school on this basis.

2.3 The majority of school catchment areas have been in place for many years including those for Muirhead Primary School and Struthers Primary School. Changing a school's catchment area can be very contentious and challenging and below are examples of when the Council may consider a potential change.

- School closures and rationalisations
- Changes in pupil demographics
- Housing developments
- School capacities

2.4 The Council's Local Plan contains land supply for approximately 10,000 new houses. This includes the provision of 680 units at North East Troon which impacts on both Muirhead Primary School and Struthers Primary School. As part of the Council's initial discussions regarding the impact of the North East Troon development on the local education provision it was recognised that there was a natural link with Struthers Primary School. The proposed housing configuration within the whole of development site will make it easier for all children to access the provision at Struthers Primary School.

2.5 Within the current catchment arrangements for Muirhead Primary School and Struthers Primary School a proportion of children who reside in the North West area of Deveron Road, Troon are closer to Struthers Primary School but are zoned for Muirhead Primary School. This results in a number of parents submitting placing requests for the school nearest to their home.

3.0 Education in South Ayrshire Council

3.1 Education provision within South Ayrshire is currently delivered through 8 secondary schools, 41 primary schools, 2 special schools and integrated specialist provision at a number of schools for children and young people with additional support needs. Early year's provision is delivered through 4 nursery schools, 31 nursery classes and a number of partnership nurseries.

3.2 The quality of learning and teaching in South Ayrshire is very good and has been highlighted in many school inspections carried out by Education Scotland. In its Assurance and Improvement Plan for 2013-16, Audit Scotland commented that "The Education service performs well and displays a high level of engagement with national initiatives. Almost all primary school children are attaining expected levels and young people at S4, S5 and S6 perform strongly in SQA examinations".

4.0 Details of Existing Provision

4.1 Provision at Muirhead Primary School

- 4.1.1 Muirhead Primary School is a non-denominational primary school and its location is shown in Appendix 1. The school was built in 1963 and has a planning capacity for 231 children with a school roll of 143 as at September 2014. This indicates that the school is operating at 61.9% capacity.
- 4.1.2 The school has a nursery class with provision for 40 children in the morning and 40 children in the afternoon.
- 4.1.3 The school was extended in 2005 and was completely refurbished in 2008 delivering a high quality learning environment for staff and children. A new Early Years Centre providing facilities for the community and 2 year olds has recently been completed and will open in August 2015.
- 4.1.4 The condition and suitability of Muirhead Primary School is considered to be very good and have been given A ratings for both categories.
- 4.1.5 There are no children attending Muirhead Primary School who presently receive free school transport.
- 4.1.6 The current school roll and class structure for Muirhead Primary School is shown in table 1 below.

table 1

	P1	P2	P3	P4	P5	P6	P7	Totals
1	18							18
2		23						23
3			24					24
4				23				23
5					22			22
6						11		11
7							22	22
Totals	18	23	24	23	22	11	22	143

- 4.1.7 The projected roll for Muirhead Primary School is shown in Appendix 3 and indicates that the school population will increase over the next 10 years. The projections include approximately 20% of the new housing at North East Troon.

4.2 Provision Struthers Primary School

- 4.2.1 Struthers Primary School is a non-denominational primary school and its location is shown in Appendix 1. The school was built in 1980 and has a planning capacity for 402 children with a school roll of 170 as at September 2014. This indicates that the school is operating at 42.3% capacity.
- 4.2.2 A new nursery class was opened in August 2014 with provision for 30 children in the morning and 30 children in the afternoon.
- 4.2.3 The school was partially refurbished in 2013 and further refurbishment works are planned for the summer of 2015. This will create bright/modern spaces to support learning and teaching and for staff and children to enjoy.

- 4.2.4 The condition and suitability of Struthers Primary School is considered to be good and have been given B ratings for both categories.
- 4.2.5 There are no children attending Struthers Primary School who presently receive free school transport.
- 4.2.6 The current school roll and class structure within Struthers Primary School is shown in table 2 below.

	P1	P2	P3	P4	P5	P6	P7	Totals
1	19							19
2	10	11						21
3		25						25
4			20					20
5				27				27
6					24			24
7						28		28
8							22	22
Totals	29	36	20	27	24	28	22	186

- 4.2.7 The projected roll for Struthers Primary School as shown in Appendix 3 indicates that the school population will increase significantly over the next 10 years. This is in line with expectations as the projections include approximately 80% of the new housing at North East Troon. The school will be extended at a future date to accommodate children from the new housing development which will include additional classrooms and a new PE hall.

5.0 Details of the Proposal

It is proposed to change the school catchment areas for Muirhead Primary School and Struthers Primary School for the following reasons.

5.1 New Housing Development at North East Troon

- 5.2.1 One of the main drivers for this consultation is the new housing development at North East Troon. The site has an estimated capacity for 680 units and the proposals for the new housing have been in development for many years. The location of the development is shown in Appendix 1 and mainly falls within the catchment area for Struthers Primary School. Approximately 20% of the development falls within the catchment area of Muirhead Primary School. The housing development however is much closer to Struthers Primary School than it is to Muirhead Primary School and the design proposals for the new development will include safe routes which will encourage children to walk to Struthers Primary School. The proposal therefore seeks to change the catchment areas so that all of the housing development at North East Troon is zoned for Struthers Primary School.

5.2 Pupil Demographics

The second reason for the proposed changes relates to the pupil demographics within the existing Muirhead and Struthers catchment areas.

The following tables shows the make up of each school roll and also provides details of children who reside within each school's catchment area but are not attending their catchment school.

table3: Muirhead Primary School demographics

Muirhead Primary	Number of Children	Children who reside within the catchment area but do not attend their catchment school
Not in SAC	4	
Barassie Primary	9	6
Dalmilling Primary		1
Doonfoot Primary		1
Monkton Primary	2	
Muirhead Primary	89	
Struthers Primary	25	63
Troon Primary	14	7
Total Roll	143	78

table4: Struthers Primary School demographics

Struthers Primary	Number of Children	Children who reside within the catchment area but do not attend their catchment school
Not is SAC	1	
Annbank Primary	1	
Barassie Primary	5	17
Dundonald Primary	3	
Muirhead Primary	63	25
Struthers Primary	104	
Symington Primary	1	
Troon Primary	8	14
Total	186	56

The above tables show that both schools are significantly affected by the movement of children into and out of their schools.

- 5.2.1 The proposed changes to the catchment areas for both school are shown in Appendix 3 and represent a more logical catchment split for the schools. Under the proposal, the North West area of Deveron Road would be zoned for Struthers Primary School and the properties on and South of North Avenue would be zoned for Muirhead Primary School. Table 5 indicates the number of primary children within each school catchment area and the number of primary children in the proposed catchment areas.

table 5

Catchment population	Number of children within the <u>present</u> catchment areas	Number of children within the <u>proposed</u> catchment areas
Muirhead Primary	167	153
Struthers Primary	160	174
Total	327	327

It should be noted that the above figures are based on the current catchment pupil population.

- 5.2.2 Parents affected by the proposed catchment changes who already have children at the affected schools will have the choice of sending any siblings to their current catchment school or their new catchment school. Once parents have made this choice any further move would be managed under the Council's agreed placing request arrangements.
- 5.2.3 A list of addresses within each of the proposed catchment areas is attached as Appendix 4 (Struthers Primary) and Appendix 5 (Muirhead Primary).
- 5.2.4 The proposed changes will be implemented immediately following a decision by the Council and will be incorporated into the 2016/17 primary registration and secondary school transfer arrangements which will begin in January 2016. Any placing requests received during the 2016 registration period for children who may be affected by the proposed changes will be redesignated as catchment children if the changes are formally approved.

5.3 Educational Benefits Statement of the Proposal

The educational benefits of the proposal are explained below.

- (1) What will be the likely effect on children and young people in the Council area?

The proposals do not affect any children already attending Muirhead Primary School or Struthers Primary School or any siblings that may attend at a future date.

The proposals will ensure that more children are zoned for a school that is closer to their home which in turn will encourage more parents to let their children walk to and from school.

- (2) Are there any other likely effects of the proposal?

The revised catchments areas reflect a more logical split which parents will find much easier to understand. The proposals will contribute to the Council's commitment to reduce its carbon footprint by reducing the number of parents dropping their children off at school by car.

- (3) How will the proposals affect other school users?

The proposals do not affect the use of schools by local communities or groups.

- (4) How does the Council intend to minimise or avoid any adverse effects that may arise from the proposal?

Prior to the statutory consultation process informal discussions took place with the parent councils of both schools. This provided an opportunity for any potential

issues to be raised at a much earlier stage and helped shape the development of the proposal document.

The proposal removes any potential issues for current parents who may wish to send their a future sibling to their current catchment school at a later date.

- (5) Summary of benefits which the authority believes will result from implementation of the proposal:
 - (a) The proposal will encourage future parents to send their child to the local school.
 - (b) Logical catchment areas that parents will understand more easily.
 - (c) Help reduce the number of parents who take their child to school by car.

5.3 Transport

The present transport arrangements for children and young people attending South Ayrshire's school are not affected by this proposal.

6.0 Staff

There are no implications for employees arising from this proposal.

7.0 Financial Implications

School budgets within South Ayrshire Council are calculated in accordance with the Council's framework for devolved school management set out in the Scheme of Delegation for Schools. The proposed changes to the placing requests criteria do not affect the school funding arrangements.

8.0 Consultation Process

This proposal is being issued for consideration under the Schools (Consultation)(Scotland) Act 2010 and the following stages are covered by the Act.

8.1 Consideration by the Leadership Panel with the responsibility for education

The decision to publish this proposal document and follow the consultation procedures set out in the Schools (Consultation)(Scotland) Act 2010 was taken by the Council's Leadership Panel on 16th June 2015.

8.2 Consultees and distribution of the Proposal Document

The proposal document will be placed on the Council's web site at www.south-ayrshire.gov.uk/consultations and copies of the proposal document will be made available to the consultees listed below, free of charge, as prescribed by the Act. Copies of the document will also be placed in the County Buildings, Ayr, both schools affected by the proposal, Troon Library and Troon Customer Contact Centre.

- The Parent Councils of all schools
- The parents of children and young people at all schools
- Parents of children expected to attend an affected school within 2 years of the date of publication of this proposal document
- Children and young people attending schools
- Teaching and support staff at schools
- The trade union representatives of the above staff
- Community Councils

- Religious bodies represented on the Council's Education Leadership Panel

8.3 Length of Consultation Period

The consultation process will begin with an advert being placed in the appropriate local newspapers by Monday, 24th August 2015 and will cease on Friday 9th October 2015. This allows for a consultation period in excess of the 30 school days required by statute.

8.4 Public Meetings

The following public meetings have been arranged at which officers from the Council will be available to explain the proposal and offer an opportunity to attendees to ask any questions, state their views or raise points of clarification.

Tuesday 8th September 2015 in Muirhead Primary School at 7.00pm

Wednesday 9th September 2015 in Struthers Primary School at 7.00pm

A note of the views expressed at the public meeting will be recorded as part of the consultation process.

8.5 Involvement of Education Scotland

A copy of the proposal paper and the date of the public meeting have been sent to Education Scotland, who is responsible for the inspection and review of schools. Education Scotland will also receive a copy of any relevant written representations that are received by the Council from any person during the consultation period or, if Education Scotland agree, a summary of them. Education Scotland will also receive a summary of any points made to the Council at the public meeting that will be held and, as available (and so far as otherwise practicable), a copy of any other relevant documentation. Education Scotland will then prepare a report on the educational aspects of the proposal not later than 3 weeks after the Council has sent them all representations and documents mentioned above. However, for the avoidance of doubt, the 3 week period will not start until after the consultation period has ended. In preparing their report, Education Scotland may visit the affected schools and speak to staff, children and young people, parents and other people as they consider appropriate.

All Education Scotland/ Care Commission reports relating to schools in South Ayrshire are available at www.educationscotland.gov.uk.

8.6 Note on Corrections

If any inaccuracy or omission is discovered in this proposal document either by the Council or any person, the Council will determine if relevant information has been omitted or, there has been an inaccuracy. It will then take appropriate action which may include the issue of a correction or the reissuing of the proposal paper or the revision of the timescale for the consultation period if appropriate. In that event, relevant consultees and Education Scotland will be advised.

8.7 Preparation of the Consultation Report

After following the consultation process described above the proposal will then be reviewed by the Educational Services directorate, taking into account the Education Scotland report, written representations received and oral representations made by any person at the public meeting. A consultation report containing the information required by Section 10 of the 2010 Act will be prepared. The report will include a record of the total number of written representations made during the consultation period, a summary of the written representations, a summary of the oral representations made at the public meeting, the Council's response to the Education Scotland report as well as any written

or oral representations it has received, together with a copy of the Education Scotland Report and any other relevant information, including details of any alleged inaccuracies or omissions and how these have been dealt with. The report will also contain a statement explaining how it complies with the requirement to review the proposal in light of the Education Scotland report and representations (both written and oral) that the Council received.

The consultation report will be published on the Council's website and made available for further consideration for a period of 3 weeks. The publication of this report is required under the consultation legislation but is not available for comment or further response.

8.8 Decision

The consultation report will be submitted to the Council's Leadership meeting on 16th February 2016 for consideration and the Elected Members will decide whether or not to implement the proposal in whole or in part. The decision may be subject to the Council's scrutiny process.

9.0 Responding to the Proposal

9.1 Interested parties are invited to respond to the proposal and send any written submissions to the Director of Educational Services, South Ayrshire Council, Wellington Square, Ayr KA7 1DR or e-mail to muirheadstruthersconsultation@south-ayrshire.gov.uk, no later than **Friday, 9th October 2015**. A response form is attached as Appendix 6 and can also be accessed at www.south-ayrshire.gov.uk/consultations and completed online.

9.2 Data Protection Act 1998

Those sending in a response, whether by letter or electronically should note that personal information i.e. name, address and contact details will not be made available publicly. Only staff involved in the management and administration of the consultation exercise, including Education Scotland and the Elected Members of the Council will be given access to that information. An anonymised summary of the responses will be published on the Council's website for information.

10.0 Other Languages
