

# KEYS TO LIFE AT GIRVAN OPPORTUNITIES

'The keys to life' is Scotland's new learning disability strategy. The strategy has four strategic outcomes; **a healthy life, choice & control, active citizenship** and **independence**. Each outcome focuses on what has been achieved so far and what they will do next. Service users at Girvan Opportunities with support from staff have looked at the 4 strategic outcomes and have identified what Girvan Opportunities does to meet these outcomes. We have also identified what our plans are for the future. Everyone will receive a copy of this in our next service update and a large copy has been put up in the centre for everyone to see.
