

## PressReader - Unlimited access to thousands of magazines and newspapers

PressReader delivers an endless stream of top news stories to read, discuss and share. Get full issues of thousands of top newspapers just as they appear in print including: *The Scotsman*, *The Herald*, *The Guardian* as well as over 600 UK magazines FREE!

Although PressReader can be used through your web browser (Google Chrome, Safari etc.), to enjoy all the features that it has to offer such as reading offline, we recommend installing the [PressReader App](#).

**For library members wanting to use the PressReader service from home, you will need to do the following:**

*Note:* If you don't want to use the PressReader App simply follow steps 1 & 2 below then browse to select titles to read in your web browser window.

1. Go to our [library website](#) and follow the PressReader link directly from our website.
2. [Create an account](#) on PressReader
3. Go to your [APP store](#), locate the PressReader App and install it to your device
4. Launch the App, and sign in with your new account details
5. To re-authenticate, simply login via the URL referral at least once every 3 days. The account should stay logged in, so your credentials will be re-authenticated

**For library customers using their own device in our libraries with our wi-fi, you need to do the following:**

1. Go to our [library website](#) and follow the PressReader link directly from our website.
