We were hoping to do some benchmarking to find out whether other Councils have a digital surveillance policy i.e.,how the organisation captures and processes data gained through telematics,CCTV,etc.

It is not covert surveillance,it's a policy that covers all your 'systems' which record data on our colleagues in the course of their Council business whether this is on CCTV cameras,GPS data,vehicle data,etc.

If you have a policy,would you be willing to share it and confirm who owns the policy within the organisation?

On the 13th September, according to the report in June the number was given as 10,150, but as per the recent council press statement some 9,900 households would be receiving the giftcards. This means of the total allocated for this project of £530,000 pounds, only £495,000 of that total budget would be expended leaving some £35,000 unallocated. Can you advise how this surplus will be used or whether it will be absorbed into council mainline budget</p>

For every payment that is owed to the council, I would like the following details:

I would like to receive a full copy of the landlord register, including current private landlords, properties owned and date of registration.

I doubt there would be an issue with this data being shared given the landlord register is public, but if there is an issue I'd like to request an alternative that provides a unique, anonymous number for every landlord.

Finally, if there are any issues with providing the information in the above formats, I'd like to request that it be provided as basic data - so a breakdown of landlords and how many each owns, i.e. X owns 50 properties, Y owns 12 etc

Wallace Tower is an Ayr Common Good building and receives a rent from SAC for Council's occupation. Groups and other organisations,from time to time,use the building and will pay a let fee. These two elements,perhaps along with others,will make up the income received by Ayr Common Good,in relation to Wallace Tower,in any financial year. I seek this information,please.

The other side of the income/ expenditure accounts comparison I want to be able to make is an indication of money spent by the Common Good to fulfil its responsibilities in relation to its agreement with SAC;it pays all repairs and maintenance,rates,utilities,member of staff etc.

In short,I want to compare,for the year I indicate and in relation to Wallace Tower,the detail of what went into Ayr Common Good account and what came out.
