6. Minutes meeting 28th January 2025:

There being no amendments, the minutes were agreed as an accurate record, proposed by Chair Meic Evans, and seconded by C/Cllr Jim Riach.

7. Matters arising from the approved minutes:

Health & Fitness Centre (old gym) Grangemuir Road: In response to a query from C/Cllr Muldoon regarding concerns from St. Nicholas Golf Club on planning proposals for the site, the Chair confirmed this was discussed at the January meeting when he agreed to circulate paperwork on previous similar objections by the old Prestwick South Community Council. The Chair outlined the difficulties in objecting now, as the site has been recognised in the Local Development Plan for housing, changing the status.

Troon Development Trust: The Chair had agreed to send the strategy to PCC, however, at 90 pages it is too lengthy; therefore, he will send the link to view it on line, noting that this version is going to be superseded. In respect of a local development trust, C/Cllr Tomlinson had suggested an open meeting with as many parties as possible to set up a working group.

Remembrance Service: Meeting held with sub-committee, and Chair in process of preparing notes to reflect on the problems incurred and the way forward for the future.

Oral History: Correspondence issued to PCC by the Chair. Name of contact person from the Miners Club still to be sourced.

The Beach: Email from C/Cllr Mike Tomlinson circulated to PCC, which outlined work

required as a result of recent storm, and suggesting a beach inspection meeting with SAC, which the Chair supported. Discussion ensued on whether there was an actual strategy for beach cleaning, and SAC Cllr Hugh Hunter agreed to resend report previously circulated on this. Previous 2017 strategy from SAC Chief Executive was also discussed with Chair noting this needs to be updated, which is why he would like to see a strategy with proposed actions that are regularly monitored. C/Cllr Kate Mullen mentioned rubbish and seaweed not cleared around benches at beach. Chair suggested photographs of any problem areas be taken and presented to SAC when drawing their attention to these issues.

Prestwick Airport: The Vice-Chair still to draft a letter from PCC to the Scottish Government, asking them to float the idea to the Trump organisation, (not Donald Tr.mp), for the potential acquisition of, or providing funding for, the airport. Following a conversation on this, it was agreed that the Vice-Chair will write the letter, and then PCC to discuss further and take a vote.

8. Community Led Ward Capital projects- Prestwick: .

The Chair confirmed that SAC has begun the consultation on Prestwick masterplan and regeneration with the survey closing on Monday 3rd June at 4pm. No prior warning was given to PCC, with the Chair getting the information on-line. The Chair continues to send PCC members any information he does receive on projects for Prestwick. The meeting was informed the Chair, Vice Chair and Secretary are attending a joint meeting on Friday 28th February with the Community Association and Prestwick LPP to discuss the process of producing a Community Led Action Plan; other groups will become involved in due course. This will give us a vehicle in which to express our views on what Prestwick should be doing, This is not confined to practical issues such as bricks and mortars but also issues such as health and wellbeing. Chair will update PCC on a regular basis.

9. South Ayrshire Councillors' reports:

Cllr Ian Cochrane: Report issued by email and circulated to PCC noting SAC has been working on the budget proposals for 2025-2026. Issues have been raised by constituents regarding social housing, threat of homelessness, pavement parking, unkempt state of promenade, Chinese airlines using Prestwick Airport and lack of progress with Ayrshire Growth Deal. In addition, anti-social behaviour by adolescents is a real problem, with youths causing disturbances in the Moorpark area. Many complaints received about dog fouling, which is becoming a major problem.

Cllr Cameron Ramsay: Similar issues as Cllr Cochrane. Youth disturbances a real problem, especially since the introduction of free bus travel for under 22-year-olds, noting that police have been called numerous times to disturbances on late night buses. After discussing various issues and problems caused by the bus scheme, it was agreed the Chair would draft a letter on behalf of PCC to the Scottish Government, highlighting the issues caused by the scheme.

Cllr Hugh Hunter: SAC budget the main topic at the moment, with council tax rise predicted to be 8 percent. Cllr Hunter still hoping to arrange a screening to PCC of the carers film, but will see if he can obtain a link for it. eAyrfest event was a great success and was well attended. As part of his portfolio with Health & Social Care Partnership, Cllr Hunter will be visiting various front- line services starting with Girvan and Maybole. On March 3rd 'Wee Carers' will be holding an event – Night at the Oscars, and Cllr Hunter to send Secretary the poster advertising this. Stephen Cooper of Daisy Chain and Prestwick post office opening a further banking hub in Kilwinning, (already opened one in Maybole) and is hoping to establish one in Prestwick. All present agreed in principle to support this; it could only be good for Prestwick as there are no longer any banks in the Town. Cllr Hunter to establish whether he can forward Mr Cooper's email about this to PCC, otherwise a summary of the contents will be sent.

10. Treasurer's report:

The Secretary apologised that she was unable to give an update to the meeting from the email the Treasurer had sent to the office bearers.
