Christopher Morrison – Number 47, Troon  
Extended Hours Application – 18<sup>th</sup> 19<sup>th</sup> & 20<sup>th</sup> September 2025  
Report by Licensing Standards Officer

I refer to the Extended Hours application submitted for the above premises which is situated in Troon.

The application requests a terminal hour of 3.30am on the evenings of Thursday 18<sup>th</sup>, Friday 19<sup>th</sup> and Saturday 20<sup>th</sup> September (extending into the morning of Sunday 21<sup>st</sup> September) and the application refers to the Ayr Gold Cup Festival at Ayr Racecourse.

The Ayr Gold Cup is a fixture that has been recognised over the years by South Ayrshire Board as an event of both local and national significance and as such local premises have been granted Extended Hours on the relevant dates each year.

This particular applicant was granted a 3.30am terminal hour last year with no reported issues and I am aware that other premises have been granted similar permissions for this year and therefore I have no objections to the grant of extended hours as requested.

Christopher Morrison – Number 47, Troon  
Extended Hours Application – 27<sup>th</sup>, 28<sup>th</sup> & 29<sup>th</sup> November 2025  
Report by Licensing Standards Officer

I refer to the Extended Hours application submitted for the above premises which is situated in Templehill in Troon.

The application requests a terminal hour of 3.30am on the evening of Thursday 27<sup>th</sup>, Friday 28<sup>th</sup> and Saturday 29<sup>th</sup> November (extending into the morning of Sunday 30<sup>th</sup> November) and the application refers to the 'Winterstorm Rock Weekender Music Festival', which is described by the applicant as 'an event of local or national significance'.

The Board will be familiar with the 'Winterstorm' event which is taking place within the Troon Town Hall/Walker Hall and the applicant is Christopher Morrison who is well known to me as a successful local licence holder who has been granted extended hours for a variety of events over the years.

This application is an early request for an event which is taking place at the end of November, just prior to the festive period when these premises will benefit from a 3.30am terminal hour from Thursday to Sunday until the end of the year.

As this is an established event in the local area and these premises have previously been granted Extended Hours for this purpose, I have no objections to the extended hours applied for.

Christopher Morrison – Number Forty-Seven, Troon  
Extended Hours Application – 2nd to 4th October 2025  
Report by Licensing Standards Officer

I refer to the Extended Hours application submitted for the above premises which is situated in Templehill in Troon.

The application requests a terminal hour of 3.30am on the evening of Thursday 2nd, Friday 3rd and Saturday 4th October (extending into the morning of Sunday 5th October) and the application refers to the 'Real Ale Festival', which is described by the applicant as 'an event of local or national significance'. The core hours for these premises currently extend to 2.30am on a Thursday, Friday and Saturday so this application is to permit an additional trading hour.

The Board may be aware that the applicant Chris Morrison has been considerably involved in this local event since its inception in Troon and applies for additional trading hours each year to showcase his own selection of real ales and to cater to those who move to his premises after the event.

I am aware that these premises have enjoyed additional hours the last few years for this annual festival and no complaints or adverse comments were received by Licensing as a result. Mr Morrison is an experienced licence holder and one who regularly applies for extended hours for set event dates throughout the year. Considering the above I have no objections to the grant of the extended hours as requested.

Christopher Morrison – Number Forty-Seven, 47 Templehill, Troon  
Extended Hours Application – 1st November 2025  
Report by Licensing Standards Officer

I refer to the Extended Hours application submitted for the above premises which is situated in the Templehill area of Troon which contains a mixture of commercial and some residential properties.

The application requests a terminal hour of 3.30am on the evening of Saturday 1st November (extending into the morning of Sunday 2nd November) and the application refers to 'Halloween', which is described by the applicant as 'an event of local or national significance'.

The Board have provided a list of 'occasions' that they would consider to be of 'local or national significance' and 'Halloween' is mentioned as one of these. In the past the Board have been satisfied with applications either for the day of Halloween itself (31<sup>st</sup> October) or for the nearest weekend to that date and thus this particular application is in line with the Boards view.

This applicant has been granted extended hours for Halloween for the past few years and I therefore have no objections to the grant of this application.

Buzzworks Property Ltd – The Buf, Prestwick  
Extended Hours Application – 9<sup>th</sup> & 20<sup>th</sup> September 2025  
Report by Licensing Standards Officer

I refer to the Extended Hours application submitted for the above premises which is situated in Main Street, Prestwick.

The application requests a terminal hour of 3.30am on the evenings of Friday 19<sup>th</sup> and Saturday 20<sup>th</sup> September (extending into the morning of Sunday 21<sup>st</sup> September) and the application refers to the Ayr Gold Cup Festival at Ayr Racecourse.

The Ayr Gold Cup is a fixture that has been recognised over the years by South Ayrshire Board as an event of both local and national significance and as such local premises have been granted Extended Hours on the relevant dates each year.

Members will be aware that these premises have recently been granted a variation to their licence to allow more activity in their outside drinking area and part of that application also included giving up later hours on a Thursday and Sunday to give consideration to the local community, which was suggested by the operator. This application remains in line with that suggestion and whilst the Ayr Gold Cup is from Thursday to Saturday, the application only requests an additional trading hour on the Friday and Saturday.

The operator contacted the LSO prior to the lodging this application and it is consistent with what the Board would usually permit. I therefore have no objections to the grant of this Occasional Licence.
