1	18 November 2025	<u>FOISA/ EIR Annual Report 2024/25</u>	Ascertain if ICT had plans to enhance the functionality of the search facility on the Council website to enable members of the public to access information easier	Co-ordinator (Registration, Records and Information)	Response as follows emailed to Members on 3 December 2025: The Council’s website search function searches all articles and media items for the term/words entered in the search box and will provide the user with links to any documents or pages that contain that search term. ICT are also working with Council services to request specific keywords be added to documents and articles being uploaded to the Council website to enhance search responses. Additionally, a search feature is now available on the Council’s FOISA disclosure log, which is available on the Council website, and which can assist users in finding information that may have already been asked for under FOISA or the EIRS.
