*SAC/Ranger Service*

Cllr AC advised that the wildflower planting areas around the local area would be sown shortly.

*SAC/SE Development Officer; Thriving Communities*

Due to work load/preparations for the Jubilee, will concentrate on this later in the year – leave on agenda.

*G&SA Biosphere*

On-going - Biosphere Community, revisit later this year/September – leave on agenda.

*Community Association*

NB advised that Pauline Eaglesham was stepping down as the Lights Co-ordinator. PW indicated that he would be willing to take on this position, but only for this year. He would make best efforts to clarify funding opportunities and storage/handling of the Lights. Cllr AC advised that there appears to have been some confusion within SAC/Mike Newall re funding – Cllr AC assured members that funding would be available. PW should engage with ARA/Eric Garry, PW would also get handover info from PE.

*Platinum Jubilee*

PW advised that the event(s) were in-hand, making use of Facebook and Morrisons Daily (Sam and Andy both doing an excellent job). Ticket sales for the Disco were moving on. The agenda is set. Volunteers had come forward but there was still a need for a few more. SAC had come through with £1,000 funding for the marquee. PW explained that there would be a slight change due to availability – two gazebos would be purchased instead, which would also be easier to erect. Members agreed. Storage would be required. Stalls will be provided by SAC, and available for use. PW advised that Coleman's was making a monetary donation – a big thank you from all members.

#### 7. Paths / Dailly Trails / Dalquharran / Brunston

Members basically in agreement that we should hold off, for the moment, on the Waulkmill Bridge as it was felt that the cost was too high. Rachel Shipley/SAC provided an update repairing and upgrading of the ‘accessible’ path around the Memorial Park, over the Fish/Artist Bridge to the Old Castle. She was awaiting two additional quotes prior to making a decision. RS asked whether some of the VAT refund should be used for this – members were in agreement that we should use some - Secretary would advise her. It was doubtful that the path would be completed but the Jubilee, but hopefully before the School holidays.

**Please email [daillycc@outlook.com](mailto:daillycc@outlook.com) or use Facebook messenger/Website contact form to report issues with the Trails/Paths.**

#### 8. Roads / Potholes / Gully Pots

Cllr AC again advised that the Back Road is scheduled for repair/resurfacing – dependent on bitumen supply. The School Car Park was in design stage.

**Everyone should make an effort to report on the ARA website when they encounter potholes or other road issues, to: [www.ayrshireroadsalliance.org](http://www.ayrshireroadsalliance.org) phone: 01563 503 160 Or SAC phone: 0300 123 0900 SAC website: [www.south-ayrshire.gov.uk](http://www.south-ayrshire.gov.uk)**

#### 9. Hadyard Hill Community Fund Panel and Small Grant Fund

Secretary advised that Foundation Scotland was looking for someone to make a brief Zoom video re our involvement and process in obtaining our endowment account – unfortunately no one was available.

PW indicated that rather than using the Kilgallioch Grant for the Jubilee, it might be more appropriate for Hadyard Hill to fund it. Members agreed that this would show that the Hadyard Hill fund is being used and hopefully encourage others to make an application. PW would make an emergency application to FS for the Panel to approve and application for £2,000. On the back of this, HM on behalf of the Activity Centre asked whether the Kilgallioch Grant could therefore be used for various on-going costs (eg free-access to 12-18yr, PRS/PPL). Members agreed that the Kilgallioch Grant could be used for this.

Secretary advised that she had not been able to proceed with the SSE/MW issue due to work load. However a letter was written to SSE re the litter and speeding vans.

There were two Small Grant applications:

CAC – to purchase a replacement pads for the AE Defibrillator, a baby changing table for the Birthday Parties/Sports Hall, repair heater, and a portion of PRS/PPL - £650 requested - unanimously approved.

Dailly Amateurs – to purchase appropriate Trophies - £650 requested – unanimously approved.

FdF advised that she had not yet received the balance documents from Dailly Anglers - PW agreed to chase.

**Funding sources:** [www.foundationscotland.org.uk/programmes/hadyard-hill-dailly/](http://www.foundationscotland.org.uk/programmes/hadyard-hill-dailly/)  
Kilgallioch Community Small Grant Fund £2,000, soon Tralorg £19,000 and Kirk Hill.

#### 11. Community Action Plan

Secretary presented a note to go on Facebook – agreed content. RT and NB indicated that they would deliver in the village, and Secretary would arrange mailing of the balance. We need to organise the CC rep table at the Jubilee event.

#### 12. Community Council Elections

As per the AGM, Secretary would send out the constitution for members to check – at the next meeting the constitution would be signed.

#### 13. Carrick Activity Centre

Nothing to update.
