HOW WILL YOUR PRE-APPLICATION ENQUIRY BE PROCESSED?

In line with our Pre-Application Guidance Note <https://www.south-ayrshire.gov.uk/planning/documents/pre%20application%20guidance.pdf>:

- If we consider that a meeting to discuss your proposal would assist in our response, we will contact you direct. We aim to provide a written response, on average, within 21 days.
- We will provide our response in writing, and endeavour to provide as constructive advice as possible. This will include information on relevant policies, guidance and other planning requirements.
- At the Pre-Application stage, we do not expect to have requested the comments of other agencies that might influence the assessment of your planning application. This will be explained further in our response.
