DUTY OF CANDOUR REPORT 2021 - 2022

Chalmers Rd Respite Service

“Being Open”

Introduction

Health and Social Care Services in South Ayrshire Council have a Duty of Candour. This is a legal requirement, which means that when things go wrong and mistakes happen, the people affected understand what has happened, receive an apology, and that the organisation learns how to improve for the future. An important part of this duty is to provide an annual report about the duty of candour in our Services. This report describes how Chalmers Rd Respite has operated the Duty of Candour during the time between **1 April 2021** and **31 March 2022**. We hope you find this report useful.

Chalmers Rd

Chalmers Rd currently offers Residential Respite to adults with learning disabilities in South Ayrshire which enables carers a break from caring responsibilities and allows clients a break from their normal routine. We base our care and support on the health and social care standards.
