1. TRUSTED TRADER SCHEME

The South Ayrshire Council Trusted Trader Scheme is a local business partnership which aims to:

- Increase consumer confidence
- Promote good practice within local businesses
- Help to protect people from doorstep crime

The Scheme is managed and administered by Trading Standards which is a part of South Ayrshire Council's Regulatory Services ("the Council"). The services delivered by member businesses are assessed by their own customers, through a survey feedback system operated by Referenceline. Customer survey information about member firms is freely available online to all local consumers.

Applications are invited from South Ayrshire based businesses or businesses who can demonstrate that a significant proportion of their work is conducted in South Ayrshire. The Scheme accepts applications from businesses from the home improvement sector.

Scheme membership will be granted to suitable applicants after vetting in accordance with the principles set out in clause 11 of these terms and conditions and the acceptance criteria appended hereto. The Trusted Trader Scheme will run for a period of four years from the 1st April 2016 after which the South Ayrshire Council Trusted Trader scheme will be reviewed for its long term success and viability. The scheme will be reviewed every four years thereafter. If after evaluation the scheme is deemed not to be viable to continue, the Council at its sole discretion can elect to terminate the scheme after giving all members a three month notice for termination. The Council will have no liability to any party in the event of termination of the Trusted Trader Scheme.

The Council offers no warranty or guarantee as to the accuracy, veracity or otherwise of the information made available or omitted through the Trusted Trader Scheme and save for any duties which the Council undertakes in accordance with these terms and conditions, the Council accepts no liability for loss or damage (actual or otherwise) to any party arising in connection with information made available or omitted through the scheme.
