16 Days of Action to end Violence Against Women and Children

The 25th November is the International Day for the Elimination of Violence Against Women and marks the start of White Ribbon Scotland’s 16 Days of Action to End Violence Against Women. The 16 Days of Action takes place every year in countries all over the world, to tackle violence against women and engage public local activism to fight for this cause and ends on Human Rights Day which is the 10th December.

South Ayrshire’s Multi-Agency Partnership (MAP) to Tackle Violence Against Women and Children will be raising awareness of White Ribbon Scotland. It will be supporting the 16 Days of Action to End Violence Against Women. To show your support you can sign the @WhiteRibbonScot pledge to never commit, condone or stay silent about #VAW for #16days <http://www.whiteribbonscotland.org.uk/makepledge>
